Letter no. 49 dated 24th June 1942 from the Secy, M.C.S. Examination Committee forwarding a draft Notification regarding the M.C.S. Exam^n to be held in the later part of the current ~~Calendar~~ year.

The Secy, M.C.S. Examination Committee, states that except the proposal to raise the marks for the "Interview", there have not been many substantial departures ~~for the~~ from the notification of 1940 and where made the modifications only serve the purpose of clarification.

2. A copy notification* relating to the M.C.S. Exam^n of 1940 is put up and the changes now proposed are marked in red ink in it.

3. It is now proposed to hold the examination beginning on the 30th November 1942, whereas in previous years it used to commence in the 2nd week or middle of November. The change is perhaps proposed with a view to give the candidates five months' time for preparation. The other University Examinations take place in the months of February and

and March and therefore the M.C.S. and the other Public Examinations do not synchronise. The proposed change may perhaps be accepted.

4. In paras 6 and 8 of the notification for "approved by H.H." the words "approved by the Govt. of Mysore" are substituted. The names of the registered applicants are submitted to H.H. for approval and H.H is the appointing authority that sanctions appointments to the Civil Service. It is, therefore, for consideration whether the words "approved by H.H." may not be retained in the present notification also.

5. Para 14 of the notification for 1940 contains the following sentence:—

> "The number of questions set in each paper will be more than the number required to be answered to secure full marks".

This sentence is proposed to be eliminated from the notification under consideration (vide Para 12). The inclusion of this

sentence was perhaps meant to give the candidates a wide choice and it also binds the examiner to give more questions than the number required to be answered. In view of this the retention of this sentence, is for consideration.

6. It is now proposed to raise the marks for the "Interview" from 150 to 200. In all the previous examination the maximum was fixed at Rs 150. Even the committee which considered the question of further simplification of the syllabus of the examination in August 1935, did not suggest any change in this respect. The reasons for enhancing the maximum are given in para 3 of letter. This change is for orders.

7. The modifications suggested are for orders.

SIR,

With reference to para 2 of G.O.No.4264-5/C.B. 200-41-5 dated 6th June 1942, I have the honour to enclose herewith a draft notification approved by the Committee at its meeting held on 13th June 1942.

It will be seen that except in the proposal to raise the marks for the "Interview", there have not been many substantial departures from the notification of 1940. Where made, the modifications only serve the purpose of clarification.

The Committee considered at great length the need for giving greater weightage to the "Interview" part of the Examination in consonance with what prevails in connection with the I.C.S. Examination. At this examination, the marks allotted for the "Interview" are 3/16ths of the total marks, while at the M.C.S.Examination hitherto, the proportion used to be only one-ninth. The M.C.S. Examination Committee of 1940, in their concluding remarks of the Report, stated that in view of the greater importance attached to the "Interview" by the Bengal Civil Service and the I.C.S. Examinations, "Government might examine the question before the next examination for the M.C.S. takes place." In view of the great importance to be attached to those subtle qualities of leadership, of quickness of judgment and of mental alertness, which should be the essential qualities of a civil servant, the Committee were unanimous in their opinion that "marks for the 'Interview' be raised from 150 to 200".

A list of text-books for the M.C.S.Examination in Kannada, Sanskrit and Persian Language and Literature is enclosed herewith. Text-books in English will

will be intimated later owing to the inherent difficulties existing to-day of obtaining correct information in regard to the actual availability in India of the books recommended. In the course of a week or so, I shall be submitting the Committee's recommendation in this behalf for orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

a.r.Wadia

SECRETARY,
M.C.S.Examination Committee.

In continuation of this office letter No.49 dated 24th June 1942, I enclose herewith a further list of text books to be prescribed for Paper IV English Literature (Prescribed Books) In Part I of the ensuing M.C.S.Examination.

As stated in the last para of the letter, considerable difficulty has been experienced in obtaining correct information in regard to the availability of the text books prescribed, and it was with a view to solving this problem that the M.C.S.Examination Committee resolved to depute Prof.Eagleton, Mysore University, to visit the Publishing Houses in Madras, scrutinize the available books and bring accurate information for the Chairman to decide the matter. I may say that but for Prof.Eagleton's visit to Madras, the question of the prescription of the text-books would not have been so expeditiously and promptly solved. I shall be submitting for favour of orders of Government separate proposals in respect of the deputation of Prof. Eagleton for the above purpose. Meanwhile, the list of text books enclosed may kindly be released for publication after approval of Government.

Text books for Optional English B i(a) will be sent during the course of next week.

Yours sincerely,

M.G.Mehkri, Esq., B.A., LL.B.,
Chief Secretary to Government,
